We offer a wide range of services to All Our Customers.

Now that you have decided to purchase a leading Hydrotherapy Spa you may have a few questions, not to worry. We have several years of experience within the Spa field, over 10 of those years working with Canspa Manufacturing.

Below is a range of our services.

Installation of your spa

- Moving your spa from the drop off site to its final location.
- Positioning and filling your spa.
- Completing the electrical hook up.
- Checking that all systems and fittings are in good working order.
- Giving you an orientation on the spa's operations.
- Explaining chemical use.

This service is important to insure there are no complications with or damage to the Spa.
Our rates are.

- Basic Install starts at \$250.00 (inside Ottawa area)
- Full installs are approx \$1200.00 + (depending on location and material required.)

Full install includes:

- Supplying GFI and wire required for installation.
- Wiring from panel box and installing the GFI.

We also have a crew available to put in your base/small deck you required for the spa to sit on in your yard. All these jobs are priced by own of our estimators on a site visit.

Spa care programs

- By weekly or monthly visits to clean and balance chemicals in the spa's.
 - \$ 50.00 per visit
- Drain, Clean and refill spa, clean filters, check systems and fittings, pull out pumps to inspect impeller and seals. To ensure longevity of your spa.
 - \$250.00

Relocation of your spa

- Draining, transportation and setting up the spa at the new location.
 - \$350.00 + mileage

Our services are perfect for those who want some initial support with the operation of their spa, and just want the time to enjoy their Spa after a long week.

- For your piece of mind while on vacation.
- for those who work too hard already,

Repair and Service

We have a very experienced staff, with knowledge and experience on a large amount of the hot tubs on the market. Therefore we are able to work on any problem on any model. Our rates are \$ 75.00 Call out that includes first ½ hr \$65.00 pr hour after that all parts and supplies are billed accordingly on top.

All the above prices are based on inside of Ottawa
(Kanata – Orleans / Hull – Manotick)
\$50 for every additional 50 klm outside the radius.
